

Why get involved with our Stella Maris community?

To positively impact our children's lives by demonstrating fun, leadership, and lending a helping hand.

Playground enhancement project, phase 2

\$30k Goal

All the dates above are in plan however through our forums we may need to change dates or add/delete events as it makes sense. Any updates will be communicated.

*Market Days are a new format for PTFA selling things to our community like 2nd Hand uniforms, eco bags, etc. We also welcome children to set up tables who may want selling things to raise \$ for shine challenges eg cupcakes for SPCA day.

Overall, the aim is to achieve \$30K and have fun while we do it 😊

All the leaders will be looking for support throughout the year, so please lend a hand where you can.

Thank you for your support, Renee Beckett PTFA Chair
