

18 August 2017

Social Justice Week – 11-15 September 2017.

Dear Parents and Caregivers

In week 8, we are participating in Social Justice Week, as part of our Charism.

In Matikao Team, we have decided to donate warm socks to Auckland City Mission to distribute to those in need.

During this week, we encourage each family to bring in one (or more) pairs of warm socks. Preferably men's sized.

Classes will also be making mats out of plastic bags to donate as well, so if you have extra plastic shopping bags at home, please send them into classes as soon as possible so that we can get the mats completed before we deliver the socks to the Auckland City Mission.

We thank you for your anticipated generosity in our endeavour to help others.

God bless,
Matikao Teachers
