Dear Parents / Caregivers

As part of our Term 3 concept of Movement Mokehu Team will be taking part in a week-long dance programme run by Dean Langham. Dean is an experienced dancer and tutor for a company called "Dances for Schools". Earlier this term he ran a complimentary program for us and we were impressed with both his teaching and what he managed to achieve with the children.

Our program will run every afternoon from 1.30pm until 2.15pm in Week 7, the 4th September to the 8th September. On the Friday of this week there will be a performance of the dances the children have learnt. All parents will be most welcome to attend this performance in the hall at 1.30pm. The cost is \$20.00 for the 5 sessions.

Please pay directly to the office, cash, chq or eftpost, or by direct credit to:
Account :12 3046 0362238 00 Ref: "Dances for Schools" with your child's name.

Kind Regards
Patricia Watt
