

FRESH THINKING • HEALTHY EATING

February 2018

Yay, it's a new school year, and Petey Pete just loves school.

Just in case you didn't know, our fantastic team love making your school lunch on a Friday. All you need to do is fill in the envelope at school reception, place your money in the envelope and then one of us will come and collect the orders and then like magic, your lunch will be waiting for you at lunch time.

And this year, Petey Pete is going to be giving away a Golden Ticket with the Stella Maris Friday Pita Pit lunches.

Every Friday, one very lucky Stella Maris student will find a Golden Ticket inside the wrapper of their school lunch Pita.

And if you have this Golden Ticket you will win a free Pit Pack next time you order your school lunch, that's a Pita, piece of fruit and a drink for free.

Isn't that fantastic!

We're all so excited to see who will be the lucky student who wins a Golden Ticket each week, so make sure you get your lunch orders in so you can be in to win.

Petey Pete and all of us at Pita Pit Silverdale hope you have a fantastic year at school this year.

Bye for now...
