NEW PRICING FROM **1 JUNE 2018**

We are fully aware that the school uniform is a significant cost to parents, so we will endeavour to keep a close eye on the cost of Uniform.

Due to some changing of our suppliers for the uniform we have been able to drop some pricing and getting the garments in has made it a lot easier and quicker.

Unfortunately, due to some of our suppliers we are unable to change, we have had to increase the price on some of the garments this has been unavoidable.
