How do I sign my child up to fundraise online?

Fundraising for this event will be on our new fundraising website. All sponsorships and donations can be completed through this website.

Your support for this event in the form of **sponsorship or donation** would be greatly appreciated.

If each child in the school is able to raise \$35 we would raise over \$10,000.

Each child will sign up for their very own secure web page to send out to collect online sponsorship.

Just go to our School Fundraising Hub page at:

<https://stellamaris.raiseit.co.nz/hub>

(Most Year 3/4 and 5/6 students will register in class).

- You will find the **REGISTER** link to set up their account on this page.
- You will need to choose your child's classroom as their fundraising team.
- If you need any help email help@raiseit.co.nz for direct assistance.
- All student totals update in real time and your donors can leave you messages of encouragement.

Watch this you tube guide for registering your child if they have not done so at school.

The online Fundraising Hub website can be viewed to see the top classes and individuals at any time.

If you do not wish to set your child up with an online fundraising page, please just return the cash in a named envelope with your child's class name on it to the Red PTFA box just outside the office.

We have some amazing prizes and spot prizes for the event. Some will be handed out prior to the event and some after.

There will be a Scooter prize draw for all those registered before September 11th.

Thank you for your ongoing support.
