

## **REVISED Year 5-6 SWIMMING**

October 2020,

Dear Parents,

Stella Maris has organised lessons at Northern Arena Swim School who have been extremely flexible in fitting our Year 5-6 students into Term 4.

**Monday 7th December 1 Hour session.**

**Tuesday 8th December 1 Hour session.**

**Wednesday 9th December 1 Hour session.**

**Thursday 10th December 45 min session.**

**Friday 11th December 45 min session.**

The programme we have organised provides **3 x 1hr lessons and 2 x 45m lessons** which ensures our Stella Students can complete the same hours they would have in Term 1.

The cost is **\$74** per child but we will be subsidising **\$10** per child from our school Kiwisport fund.

Therefore, the cost to families for our Year 5-6 swimming will be **\$64** per child. Many may have already paid this in which case we just ask you to return offers of walking assistance and the Swim assessment sheet to the classroom teacher.

If you have not paid we ask you to do so before the end of October.

Payment options:

Online: ASB Orewa 12 3046 0362238 00 please add your child's name and "SWIM" in the reference box. Date Paid: \_\_\_\_\_

Eftpos or Cash to office:

If sending cash please return this slip below with your payment in a named envelope or clearly state above the date of payment online.

I give permission for \_\_\_\_\_ in St \_\_\_\_\_ to walk to and attend the Swimming lessons at Northern Arena.

One requirement of walking is that we will need a ratio of 1 adult to every 8 children for each time we walk. We will need the commitment of parents to ensure this ratio is maintained. We are allowing 20 mins to walk up and approx 20 mins to walk back. Each session is 45 mins.

Please identify the days you can assist and put your name and phone number in the appropriate box and **return to the class teacher** if you are able to assist with walking to Northern Arena.

This, along with initial assessments from the Swim Coaches, gives a guide to the Co-ordinators at the Northern Arena and will help ensure our children are appropriately grouped.**
