

SHINE together to learn by “Living the Marian Values”

Some examples of how you might do this include:

- Give to your own family: prepare 1 meal for your family or take on a job at home for at least 3 months.
- Give to families in need: find a way to help those in need eg: give some of your pocket money to a worthy cause each month.
- Give your time: visit an elderly relative regularly.
- Take part in Children’s Liturgy in your parish and find a way to be of service to the parish.
- Create a slideshow or poster that explores one of our Marian Values.
- Help in class: talk to your teacher about ways you can help in your classroom for at least a term.
- Help out around the school (eg: join Green Team, ask your teacher how you can help around school)
- Or... design your own challenge related to the Marian Values.

SHINE together to learn through “The Arts”

Some examples of how you might do this include:

- Create a poster that encourages people to care for our planet.
- Create a picture to illustrate a favourite poem.
- Create a mask.
- Learn to play a musical instrument.
- Participate in a dance or drama club.
- Participate in the school choir, Kapa Haka, or Pasifika group for the school year.
- Or... design your own challenge related to “The Arts”.

SHINE together to learn through “Physical Activity and the Outdoors”

Some examples of how you might do this include:

- Improve your fitness: over a term run or walk at least 10km, or cycle at least 40km, swim non-stop for 100m (or set a new personal best).
- Explore the outdoors: with family or friends do a 2 hour tramp through native bush, or explore our regional parks.
- Compete in a school/club sport for a season – attend all the practices and games.
- Join a community group (eg: Scouts, Girl Guides, Surf Club) and participate for a year.
- Participate in a multisport event (eg: Kiwi Kids Tryathlon)
- Or... design your own challenge related to “Physical Activity and the Outdoors”

SHINE together to learn through “Academic Excellence”

Some examples of how you might do this include:

- Improve your maths ability – Set yourself a goal to see how many certificates you can get in Maths Buddy.
- Enjoy reading: set yourself a goal to see how many books from the Public Library you can read over 2 months.
- Become a reporter: present a written report on a school event.
- Improve your science and technology skills: design a craft that floats.
- Research a famous New Zealander and share what you have learnt with your teacher.
- Or... design a challenge related to “Academic Excellence”.

SHINE Guidelines

- You need to complete at least 7 challenges by the end of October. You might like to do 2 a term in terms 1-3, and then 1 in term 4 so spread them out.
- You may complete more than 7 challenges – but remember it is about quality not quantity. So take your time and complete each challenge to the absolute best of your ability.
- When you share your challenges with your teacher be prepared to talk about the learning you have done in completing the challenge.
- You will be able to mark off your challenges on a chart in the classroom throughout the year.
- Remember all challenges have to be completed by the end of October.
