

22 March 2022

Dear Parents,

HBC Hockey is introducing year 1/2 hockey from next term.

- The objective is to introduce players to the game of hockey and to help them develop basic individual skills including grip, dribbling, ball control, passing, receiving, tackling, basic elimination, and distribution. Additional team concepts to develop are space awareness, vision, and calling.
- No year 3/4 or year 5/6 players are permitted to play in this grade.
- Game start times are between 4.00 pm and 6.00 pm approx.
- Games are held on a Monday commencing 9 May 2022.
- Game Play: 15 minute training session (all players involved) and 15 minute game (Maximum of 4 players plus one adult on 1/8 turf – No goalkeepers)
- The role of the adult is to help the game retain the structure and encourage all players to be involved in the game.
 - Remember that a child scoring a goal will take more enjoyment from the game, than a parent stopping a goal.
- Offered at Hibiscus Coast (Metro Park) Only.

Should you wish to enrol your child, please complete the attached form and return to me before Monday the 4th of April.

Kind regards

Natasha Kain

Sports Coordinator.
