Dear Parents and Caregivers of St Mary Class

I'm writing to inform you that Mrs Pam Pyatt is retiring at the end of this term. Officially her last day is 16th April, however if the person we appoint to the position is not able to start at the beginning of term 2 Mrs Pyatt will stay on until the new teacher is able to start in St Mary.

I'd like to take this time to thank Mrs Pyatt for her service to Stella Maris. She joined the school in 2007 and has been a valued member of our school staff and community. We wish her well in her retirement.

Kind regards

Catherine Cyprian
Principal
